

**Join Us for the Branch AGM 2011
at Sixfields Stadium, Northampton
Thursday 23rd February 2011 from 17:30**

The AGM is your chance to influence what happens in the branch. Important decisions are made and suggestions are welcome from members on how you would like your committee to move the branch forward.

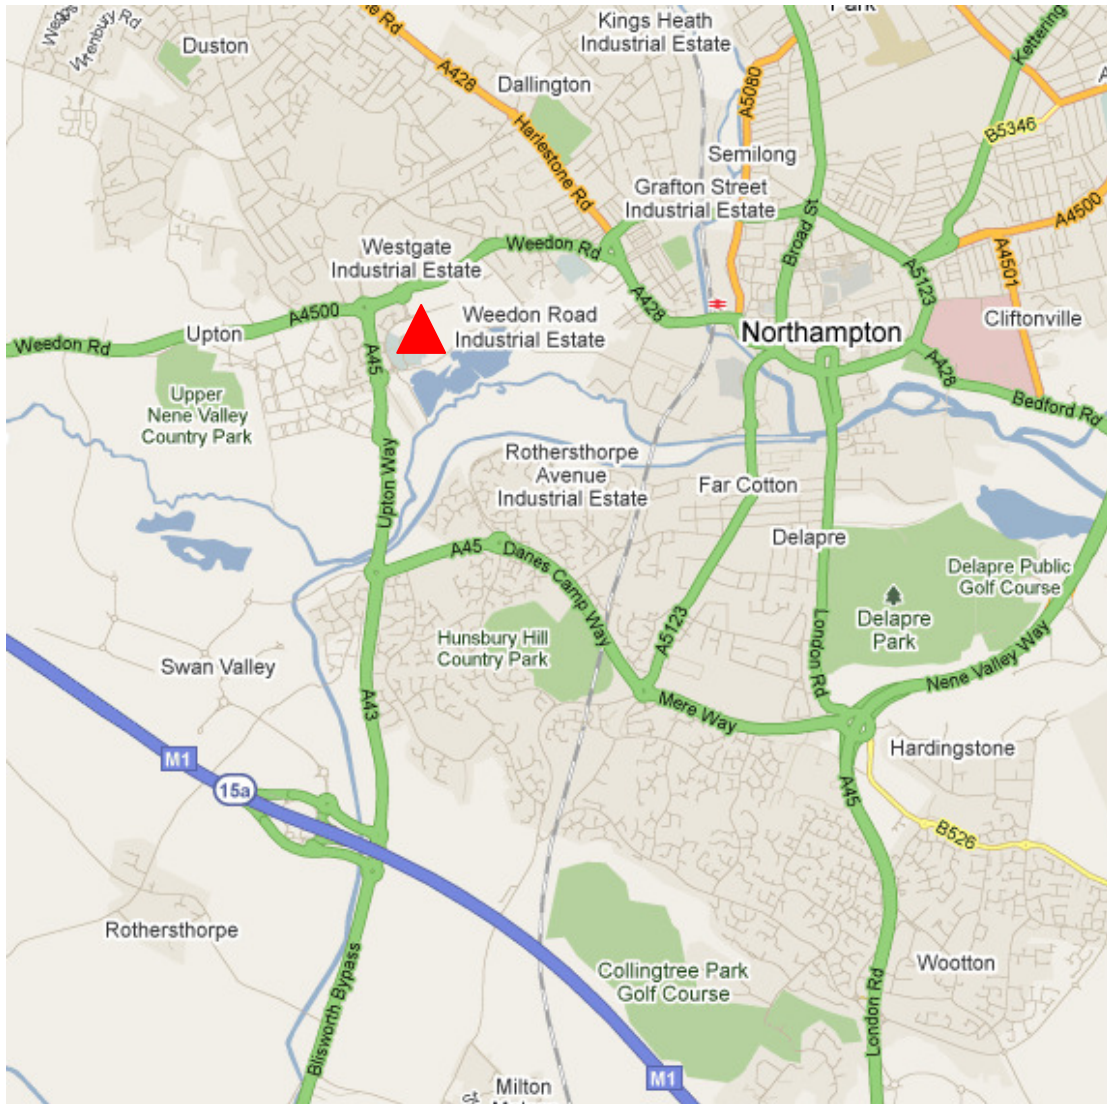

Last year's AGM was a huge success with many members staying to socialise after the meeting and enjoying the hot food and bar! This year we are returning to Sixfields Stadium and will again be providing a hot buffet meal for those who attend.

Vision Express and Lighthouse Finance will be joining us to tell members about the services they offer.

The ballot results will be announced at the meeting.

Sixfields Stadium is easy to find and is easily accessible from the M1, A45 and A43. If you think you may experience difficulties getting to the venue please let the branch office know as we may be able to arrange a lift.

The meeting will start at 17:30 and continue until approximately 19:00. Members who attend the AGM will receive a ticket for the hot buffet and free raffle with a chance to win one of the gifts we have again been collecting throughout the year.

We have had quite a few changes to the Executive Committee this year with long standing members standing down for various reasons so this will be your chance to come along and put faces to the new names!

Look forward to seeing you there,

Peter Lake
Branch Secretary
